

FACT SHEET

Where the World Does Business

About DMCC

DMCC is a leading international business district that drives the flow of global trade through Dubai. We make it easier for our members to do business, helping them access the world's fastest growing markets from a dynamic district that offers everything they need to thrive. This approach is why we are the preferred location for 26,000+ top multinationals and high-impact startups, contributing significantly to Dubai's position as a global hub for trade and innovation. DMCC is where the world does business.

Specialised industry ecosystems

Diamonds and Precious Stones

Through the Dubai Diamond Exchange, the world's largest diamond tender facility, DMCC has established Dubai as a leading global diamond trade hub, with over 1 billion carats traded in the past five years.

Gold and Precious Metals

Home to 1,500+ companies, DMCC has played a central role in positioning Dubai as one of the world's leading physical gold markets.

DMCC Coffee Centre

A 15,000 sqm facility connecting coffee-producing nations to global consumer markets, handling 9,000+ metric tonnes of coffee in 2025.

DMCC Tea Centre

A purpose-built ecosystem for tea storage, processing and packing, handling 24,400+ metric tonnes of tea in 2024.

Energy

With 3,600+ members, DMCC's Energy Ecosystem brings together traditional and renewable energy companies under one integrated platform.

DMCC Crypto Centre

The region's leading Web3 ecosystem with 750+ members, offering industry expertise, infrastructure and access to global capital.

DMCC Gaming Centre

One of the MENA region's leading gaming and esports clusters with 140+ members.

DMCC AI Centre

A regional hub for applied and pragmatic Artificial Intelligence innovation with 150+ members.

DMCC Innovation Centre

A premium ecosystem uniting luxury brands, tech innovators and sustainability experts to the latest solutions across the global luxury value chain.

DMCC Wealth Hub

Supporting 1,800+ private wealth companies, family offices, investment firms and specialised service providers to manage and grow private capital in Dubai.

DMCC FinX

DMCC's newly-launched financial ecosystem integrating trade finance, fintech, digital assets and institutional capital to support the evolving needs of global trade.

DMCC Sustainability Hub

A comprehensive ecosystem designed to advance sustainable innovation and practices for businesses within the global trade community.

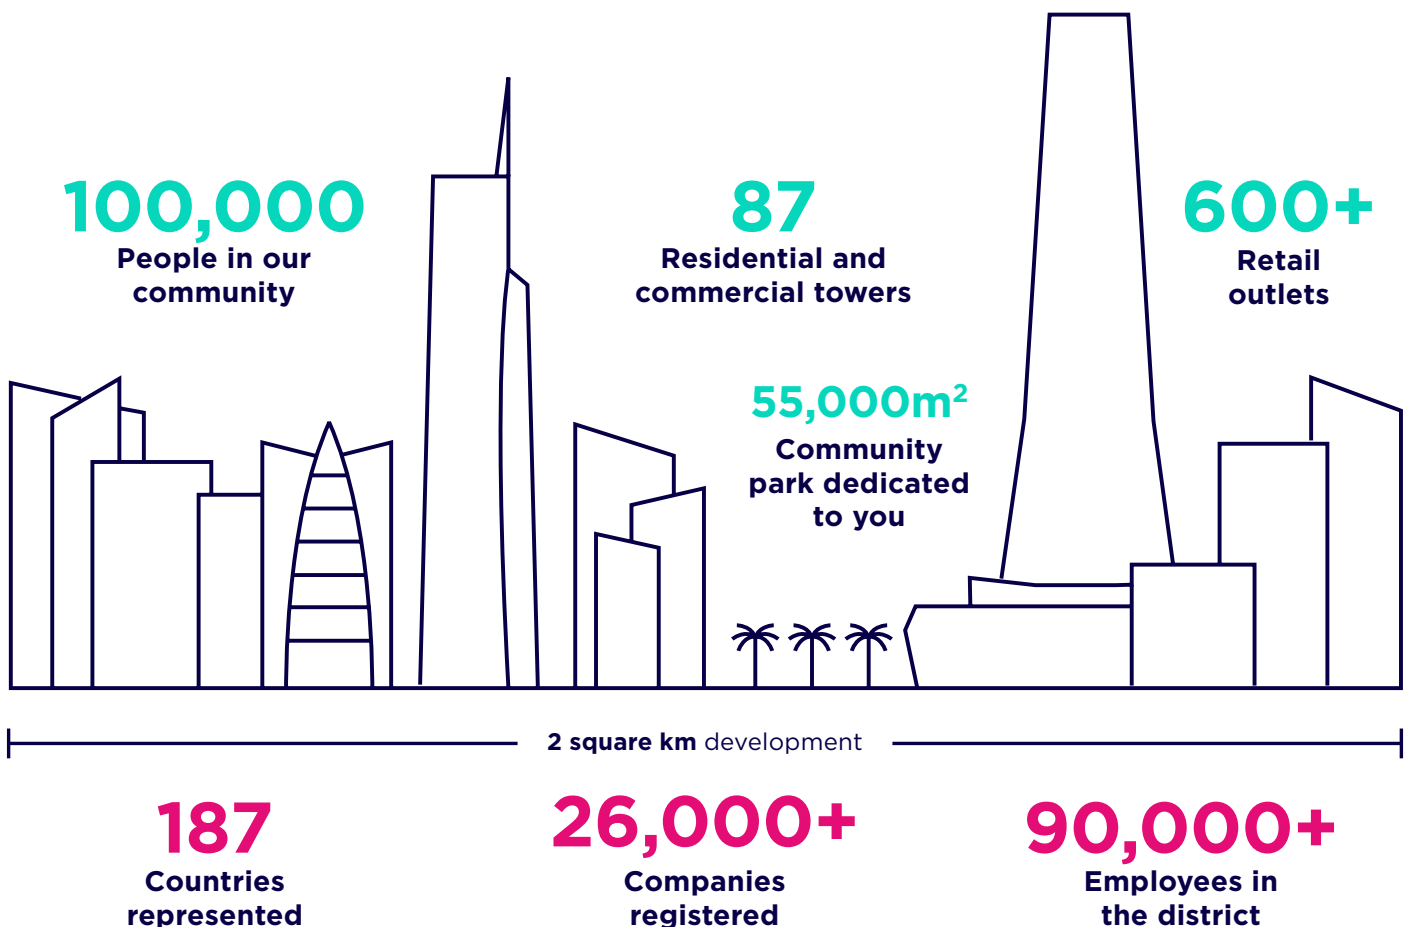

Dubai Design Academy (DDA)

Offering exclusive jewellery-design programmes, innovative design development training and practical experience of the latest technology shaping the modern jewellery design industry.

Free Zone of the Year

Nine-time winner 'Global Free Zone of the Year' award and two-time winner 'Global Knowledge Zone of the Year 2025' by the Financial Times' fDi Magazine.

DMCC is the master developer and operator of Jumeirah Lakes Towers (JLT) and Uptown Dubai, two of Dubai's leading mixed-use communities that count over two square kms, 87+ towers and 100,000+ people..

Future of Trade

The Future of Trade is DMCC's flagship biennial thought leadership report series that explores various aspects of global trade from commodity flows to digital trade. The series has been viewed and downloaded over 2.5 million times to date – showcasing its status as a key resource for global industry leaders and policymakers.
